## Habitat Restoration Field Technician, San Diego

Req: 23-03

RECON Environmental, Inc. is a full-service environmental consulting and habitat restoration firm with over 50 years of experience in California and Arizona. We are employee-owned, hardworking, and operate within a casual and collaborative work environment. We offer the right candidate a team-oriented, caring environment that is client-focused, flexible, and committed to providing high-quality service.

- Planting, hand-weeding, trash clearing, raking, salvaging of plant material trenching and erosion control, hauling rocks, and any other miscellaneous construction work.
- Must be able to stoop, stand and bend for extended periods of time and work on uneven and/or difficult terrain in environments of fluctuating temperatures.
- Must be able to lift 50 pounds and be able to use required equipment such as line trimmers, spray equipment, etc.
- Knowledge of California native plants is highly desirable although not required (training will be provided if necessary to applicants willing and eager to acquire plant identification skills).

**Salary:** \$20.00 DOE

RECON is an EOE/Minority/Female/Disability/Vets employer.

No need to drive to the job site(s). All employees are picked up/returned to San Ysidro Trolley station and driven to the job site(s).

**Qualified candidates should submit their resume with salary requirements to [ads@reconenvironmental.com](mailto:ads@reconenvironmental.com).**

RECON offers a generous compensation and benefits package including PTO and sick leave, medical and dental insurance, life insurance, long-term disability, flexible spending accounts, a 401(k) plus employer match, and employee stock ownership. We are centrally located in Mission Valley; some building amenities include an on-site gym, café, and parking.

RECON is an EOE/Minority/Female/Disability/Vets employer.
